

# ATMOS COMPRESSOR PB 82E

## AIR COMPRESSOR

The ATMOS Compressor PB 82E is a powerful, efficient air compressor designed for a wide range of industrial and telecom applications. Known for its reliability, the PB 82E delivers high-performance compressed air, making it ideal for tasks such as cable blowing in fibre optic installations. With its robust construction and energy-efficient motor, this compressor ensures smooth and consistent operation, even in demanding environments.

### FEATURES & BENEFITS

- Small compact multipurpose compressor
- Efficient Vanguard-B&S gasoline engine
- Easy maneuverability due to low weight and tilting handle
- Easy start with electric starter – option for PB81, standard for PB82 and PB82E
- 4 lifting eyes on the frame for hanging on the lifting device
- The compressor can be transported easily

### TECHNICAL SPECIFICATION

Rated Pressue (bar)	6/10/14
Rated Pressure (psi)	90/150/200
Air Flow (cfm)	1.4/1.1/0.7
Fuel Type	Petrol
Engine Rated Power (kW)	16.9
Free Air Delivery	1,1
Engine Motor	B&S 23 HP

### OPTIONAL ACCESSORIES

- 12 V built-in socket
- Aftercooler with condensate drain and 12 V plug, powered by the compressor
