

MDU TOOLKITS

TED[®]

The **MDU Toolkit** is a comprehensive set of tools specifically designed for Multi-Dwelling Unit (MDU) installations, ensuring efficient and high-quality fibre optic network deployment. This toolkit includes all essential instruments for tasks such as splicing, cable preparation, and termination, making it ideal for engineers working on fibre-to-the-home (FTTH) and fibre-to-the-building (FTTB) projects.

CODE	DESCRIPTION
1004527	MDU Toolkit - TED [®] Backpack
1004528	MDU Toolkit - TED [®] Trolley Backpack
1004529	MDU Toolkit - TED [®] OPTIMA Tool Bag
1004530	MDU ToolKit - TED [®] Trolley Case

KEY FEATURES

- **Complete Tool Set:** Includes fibre cleavers, strippers, precision cutters, and other vital tools for MDU installations
- **Compact and Portable:** Housed in a convenient carrying case for easy transportation between job sites
- **High-Quality Tools:** Durable and precise instruments to ensure reliable and efficient network installations
- **Time-Saving:** Designed to streamline MDU installations, reducing setup time and increasing productivity
- **Ideal for FTTH/FTTB Projects:** Perfect for use in residential buildings, office blocks, and other multi-unit installations

TOOLKIT DESCRIPTION

W1114-F	Claw Hammer
W1013	Flush cutters
W4301	Sub Duct Cutter
W4008	Kevlar Scissors
W1100	Hacksaw
03763	Microduct Deburring Tool
W4054	Peg Ringing Tool
00892	Tape Measure
W1601	Spirit Level
31028	Mini Side Cutters
31031	Long Nose Pliers
31023	Bull Nose Pliers
31029	Large Cable Cutter

31003	Side Cutters
W4315	Mid-Span Slitting tool
W4201	Stripper Fibre Tri Hole
30040	TED 6-pack Screwdriver
1000946	Visual Light Source Pen
19546	One Click Cleaner 1.25mm LC
34004	One Click Cleaner 2.5mm SC
1002758	30ml Manual Syringe Glue Gun
1002759	Adhesive Cartridge
1002506	Nano Fire clip 3.0mm (100 units)
1002504	Nano Fire clip 2.0mm (100 units)
1002507	Linian Fire Clip 3.0mm (black) (100 units)
1002509	Linian FireClip 4-6mm - Black (100units)
