

# RIDGEGEAR BT BELT SAFETY KIT

The RidgeGear BT Belt Safety 11C Kit is an essential safety solution for working at height. It is designed for telephone utilities.

## KIT COMPOSITION

- RGH11 Multipurpose Harness tested to BSEN 358 and 361
- RGP11 Work Positioning Belt
- RGL11 Full Arrest Lanyard

## FEATURES & BENEFITS

- The RGH 11 Multipurpose Utility Harness features a twin layer moulded water repellent back pad support, incorporating internal cushioning and ribbing for extra comfort and sturdy spinal support with front, rear and side 'D' ring attachment points.
- The RGP11 Work Positioning Belt has been specially designed with a controlled release adjuster buckle to ensure safe operation and adjustment.
- The RGL11 Full Arrest Lanyard is fully approved and used extensively by major utility companies.
- Kit available in 4 sizes: small, medium, large, extra-large.
